

EU-China Security Cooperation: performance and prospects

SECOND WORKSHOP: FINAL PROGRAMME

Renmin University Centre for European Studies, Beijing, China

16-17 October 2014

The aim of the second workshop is to approach each of the ten security dimensions from joint European and Chinese perspectives. The presentations and discussions of this workshop will subsequently result in chapters of a book with the above title.

Each session will be 50 minutes in length, allowing approximately 20-25 minutes for a presentation and 20-25 minutes for general discussion.
